

DFDL IN INDONESIA

In Indonesia, DFDL has established an exclusive association with Mataram Partners. DFDL, along with Mataram Partners has been serving the needs of domestic and foreign investors in Indonesia since 2011.

Our practice spans virtually all areas of civil and commercial law in Indonesia, across a broad range of industries, including all aspects of investment in Indonesia, concessions, joint ventures, mergers and acquisitions, asset acquisitions, financing, construction, and disputes in this exciting endeavor.

DFDL’s practice in Indonesia combines the firm’s international legal and tax expertise with a deep knowledge of Indonesia’s business environment.

Our teams provide a full range of legal, tax and customs services to foreign and local investors operating in Indonesia or willing to develop cross-border operations throughout the Archipelago, from legal assistance or tax advisory on one aspect of a deal, or a step by step approach during the entire investment process.
