Role Description

Transfer Pricing Manager/Senior Manager (Phnom Penh)

Job description

Transfer Pricing:

- Provide advice exclusively on behalf of the Firm and to clients of the Firm;
- Work as part of an experienced international team on transfer pricing projects for companies in Cambodia and the greater Mekong region;
- Direct responsibilities for all aspects of basic transfer pricing study engagements including, scoping, fact gathering, client interview, industry analysis, company search, economic analysis and report drafting etc.;
- Assist managers in delivery of cross-border transfer pricing planning projects, and projects involving complex tax efficient supply chain design and modeling

Business development and knowledge management:

- A significant part of this role will involve the ability to attend meetings with senior DFDL employees and discuss and sell our transfer pricing services to potential clients;
- Participate actively in the Firm's business development efforts, including government relations, various chambers of commerce, business clubs, and other relevant groups; and
- Participate in knowledge management, professional development, and Firm administrative activities as requested.

Skills, Competencies, Knowledge & Experience Required

- Minimum 3-4 years' transfer pricing experience in Big 4 or boutique transfer pricing firm
- Experience with project management, functional analysis and benchmarking studies
- Motivation to work as part of a regional team to grow the Cambodian practice
- Strong written and verbal communication skills in English.
- Exposure to business development, client presentations etc.
- Proactive and a passion for the tax area is a must;
- Experience in managing and enhancing client relationships; and
- Proficient in both spoken and written English.
