

THE ASIA OIL & GAS AWARDS 2013

Amari Watergate Hotel – Bangkok

November 18th & 19th 2013, Bangkok

www.asiaoilandgassummit.com

Awards Judges:

MR. ANTONIO CAILAO, CEO,
The Philippines National
Oil Corporation (PNOC)

NEVILLE BESTON, Country
Manager, Kulczyk Oil Brunei

DR. RIDWAN RUSLI, Vice Chairman
and CEO, Samudra Energy Ltd

RAKESH VIJ, Head Subsurface
& General manager
Reservoir, ONGC (India)

DR. CHARLIE WU, COO, Sugih Energy

DR. WORAPHAT ARTHAYUKTI,
Chairman Northern Gulf Oil

MUHAMMAD FARUQ-UZ-ZAMAN,
Senior Assistant Secretary ,
Government of Bangladesh

Speakers:

DR. SONGPOPE POLACHAN, General
Director, The Department of
Mineral Fuels of the Ministry
of Energy of Thailand

KHUN WARANON LAPRABANG,
Senior VP - Exploration & New
Venture Division, PTTEP

DR. SIRI JIRAPONGPHAN,
Executive Director, Petroleum
Institute of Thailand (PTIT)

MUHAMMAD FARUQ-UZ-ZAMAN,
Senior Assistant Secretary ,
Government of Bangladesh

DR. MEN DEN, Deputy
General Director - Oil &
Gas Resource Upstream
Division, Cambodia National
Petroleum Authority (CNPA)

RAKESH VIJ, Head Subsurface
& General manager
Reservoir, ONGC (India)

RISHIRAJ GUPTA, Subsurface
Manager, BG Asia Pacific

KAMAL DORABAWILA, Principal
Investment Officer, International
Finance Corporation (IFC)

BIDYUT DUTTA, COO offshore,
Essar Projects (India)

ZAW NAING OO, Physical Resources
Specialist/ Director, Resource
& Environment Myanmar Ltd

DR ARBIND PRASAD, Managing
Director, Invest India - Ministry
of Commerce & Industry
- Government of India

DR. RIDWAN RUSLI, Vice Chairman
and CEO, Samudra Energy Ltd.

The Asia Oil & Gas Awards 2013 is set to be Asia's leading annual oil & gas awards ceremony. This is the only awards ceremony for Asia that consists of a judging panel of Asian Ministries of Energy and oil & gas operators.

Join us for the Asia Oil & Gas Awards Dinner
on the 18th of November

For more information see page 2

Supporting Associations

Looking at all offshore E&P developments, The Asia Oil and Gas Awards Summit will provide attendees with an in-depth analysis of the latest developments, opportunities and breakthroughs in Asia's oil and gas industry. Coupling new exploration updates with analysis of current projects and the related industries, this event provides extensive networking opportunities with the key decision makers in Asia's oil and gas industry.

U NAING MAW THAN, Vice
President, Myanmar Geologists
Society, Singapore (MGSS)

CHRIS FAULKNER, CEO,
Breitling Energy

MR WILLIAM CHAN, CEO,
Mirach Energy

U KYAW KYAW HLAING, Chairman,
SMART Group of Companies

KENNETH STEVENS, Managing
Partner, LEOPARD CAPITAL

DR. ANDRZEJ BOLESTA, Economic
Counsellor, Embassy of the
Republic of Poland in Bangkok

ANDRI L. HAKIM, Exploitation
Manager, Cooper Energy Sukananti

U LYNN MYINT, Vice President
Myanmar, North Petro-Chem
Corporation (Myanmar)

ANGUS MITCHELL, Partner-Head
of Oil and Gas, Managing
Director Thailand, DFDL

CHRISTOPHER NEWPORT, CEO,
NuEnergy Gas Limited

SAMARENDRA SINGH, Head of
Energy & Resources, Aozora Bank

SPECIAL FOCUS ON THE Bay of Bengal and Andaman Sea region

The Hydrocarbon rich waters of the Bay of Bengal and the Andaman Sea contain some of the international oil and gas communities most exciting new frontier markets. The Bay of Bengal and Andaman Sea Oil and Gas Summit 2013 will give business Professionals and opportunity to network with the key decision makers in the region and assess how to capitalise on the wealth of investment potential.

Media Partners

THE ASIA OIL & GAS AWARDS

Day 1 18th November 2013

08.00 Registration and Coffee

09.00 Chairman's Opening Remarks

Introductory Session: Asia Oil & Gas Overview

09.10 Key Opening Remarks

Dr. Songpope Polachan, General Director, The Department of Mineral Fuels - Thailand

09.40 Panel Discussion: Overview Of Asia's Oil & Gas Industry – Part 1: Upstream

- Brief overview of current projects
- Where are the next discoveries going to be?
- Exploration and Production Outlook - Opportunities for development

Panelists:

U Lynn Myint, Vice President Myanmar, North Petro-Chem Corporation

Rakesh Vij, Head Subsurface & General Manager Reservoir, ONGC (India)

Khun Waranon Laprabang, Senior VP - Exploration & New Venture Division, PTTEP

10.25 Panel Discussion: Overview of Asia's Oil & Gas Industry – Part 2: Downstream

- Resources Overview
- Infrastructure Challenges
- Key oil and gas markets
- Upcoming projects & the latest developments

11.10 Networking Break

11.30 Recent updates on Financing in Asian Oil & Gas Sector

Samarendra Singh, Head of Energy & Resources, Aozora Bank

12.15 Financing of Oil & Gas Projects in Emerging Markets

- Financing for upstream projects
- Financing for midstream projects
- Different financing options available
- Global and regional financing trends

Kamal Dorabawila, Principal Investment Officer, International Finance Corporation (IFC)

13.00 Lunch

14.00 Deep Thinking for Deep Water Potential in Bengal

- Yet to find hydrocarbon in deep and ultra-deep water
- Tectonic models; the keys of success
- Technology to unlock the limitation
- Special fiscal regime

Khun Waranon Laprabang, Senior VP - Exploration & New Venture Division, PTTEP

14.40 Thailand Oil and Gas Sector Overview

- Investment Opportunities & Resources Outlook
- Major Project Update
- E&P outlook

Dr. Siri Jirapongphan, Executive Director, Petroleum Institute of Thailand (PTIT)

15.20 Networking Break

15.50 Global Interpretation – The Big Picture

- Need for understanding bigger picture
- Extracting maximum value from seismic data
- Application of innovative technology for improved exploration performance

Rishiraj Gupta, Subsurface Manager, BG Asia Pacific

16.30 Negotiating Oil and Gas Agreements: A Few Practical Tips from the Trenches

- PSCs
- Farm-ins
- JOAs
- Acquisition Agreements

Angus Mitchell, Partner-Head of Oil and Gas, Managing Director Thailand, DFDL

17.10 Chairman's Closing Remarks

17.30 Drinks Reception with Live Band

18.30 Seated for Dinner

18.45 3 Course Dinner is Served

20.30 Awards Announced by the MC

22.00 Final notes from our MC
(delegates may move into the hotel bar and continue their evening)

THE ASIA OIL & GAS AWARDS

Day 2 19th November 2013

Stream A

08.00 Registration and Coffee

09.00 Chairman's Opening Remarks

India Updates

09.10 Offshore Oil & Gas EPC opportunities in the Indian subcontinent

- Capex plan and timelines – Western Offshore (Arabian Sea) and the Bay of Bengal
- Sector –wise analysis (green field, brownfield, pipelines, structures, deep and shallow water)
- Resource requirement to meet the EPC challenges
- Availability of resources and gap analysis
- Long term outlook of the industry
- Investment opportunity in EPC infrastructure in India

Bidyut Dutta, COO Offshore, Essar Projects (India)

09.45 Asset Management for Brown Field Management

- Case studies of 2 onshore Indian fields
- Challenges encountered
- Management techniques used

Rakesh Vij, Head Subsurface & General Manager Reservoir, ONGC (India)

10.20 Investment Opportunities in India's Hydrocarbon Industry

- Policies and Regulations for the Oil & Gas Sector
- Legislative and Regulatory Framework
- Financing Options for Investors
- Future developments and investment opportunities

Dr. Arbind Prasad, Managing Director, Invest India - Ministry of Commerce & Industry

10.55 Networking Break

Indonesia Updates

11.10 Indonesia Upstream Sector Update

- Oil and gas sector outlook and opportunities
- Critical success factors
- Regional Natural Gas

Dr. Ridwan Rusli, Vice Chairman and CEO, Samudra Energy Ltd.

Stream B

08.00 Registration and Coffee

09.00 Chairman's Opening Remarks

'Case Studies'

09.10 Can Unconventional Resources be Explored and Produced in an Environmentally-Friendly Manner?

Chris Faulkner, CEO, Breitling Oil & Gas

09.45 Bangladesh Oil and Gas Overview

- Realising the offshore potential
- Legislative framework
- 12 Offshore blocks – Overview
- Prerequisites for a successful bid
- Forecast for future licensing rounds

Muhammad Faruq-Uz-Zaman, Senior Assistant Secretary - Government of Bangladesh

10.20 Petroleum Resources and Opportunities in Cambodia

- Geological survey and the map of blocks in Cambodia
- Principal tectonic elements and sectors of Cambodia Petroleum System of TonleSap Basin
- Offshore and Onshore map of petroleum resources in Cambodia

Dr. Men Den, Deputy General & Director - Oil & Gas Resource Upstream Division, Cambodia National Petroleum Authority (CNPA)

10.55 Networking Break

Myanmar Update

11.10 Deepwater Hydrocarbon Potential of East Andaman Basin

- Basin Evolution and Tectonostratigraphy
- Petroleum Systems
- Play models and Hydrocarbon Potential
- Chances of Discovery

U Lynn Myint, Vice President Myanmar, North Petro-Chem Corporation

11.45 Understanding the Current Issues and Challenges in Myanmar's Oil & Gas Sector

- Geoscience Data availability
- Evaluation of PSC Bids
- Selecting Local Partner
- Challenges an IOC will face with selecting a local partner
- Human Resources
- Local Services available

U Kyaw Kyaw Hlaing, Chairman, SMART Group of Companies, Former MOGE Geophysicist

THE ASIA OIL & GAS AWARDS

Day 2 19th November 2013

11.45 Mirach Energy: Overview of current Exploration and Production Activities

- Over view of activities in Indonesia: Rejuvenation of a 100 year old onshore oilfield in Indonesia
- Overview of exploration activities in Cambodia:
- Operational challenges
- Opportunities in the region
- Local content issues
- Government regulations and government involvement

Mr William Chan, CEO, Mirach Energy

12.30 Lunch

13.30 Production Opportunity in Marginal and Mature Field

- Overview: High water cut well reactivation
- Overview: Artificial lift design to maximize oil recovery in mature field
- Low Resitivity Payzone Opportunity in a Mature Field
- 5D Seismic re-processing to overcome social issues while acquisition.

Andri L. Hakim, Exploitation Manager,
Cooper Energy Sukananti

'Case Studies' - Malaysia, Singapore

14.10 Christopher Newport, CEO,
NuEnergy Gas Limited

14.50 Networking Break

15.20 Malaysia Oil and Gas Sector Overview

- Investment Opportunities and Resource Outlook
- Major Project Update
- E&P Outlook

15.50 Singapore- the regional oil and gas centre

- Singapore as the Asian energy hub
- Current upgrades to the infrastructure
- Overview of projects currently undertaken by the government: the offshore hydrocarbons storage facility expanding the capacity of Singapore's new liquefied natural gas (LNG) terminal

16.30 Chairman's closing remarks & Close of Conference

12.30 Lunch

13.30 Central Myanmar Basin (CMB), Potential of Conventional and Unconventional Resources (Oil & Gas)

- Central Myanmar Basin (CMB) consists of Hu Kawng, Chindwin, Shwebo, Salin/Minbu Pyay Embayment, Irrawaddy Delta
- Major oil and gas fields are located in the fore-arc basin, the Cenozoic sediment thickness : 55,000 ft (16.76 Km) with good source and reservoir rocks associated with compressive-thrust related anticlines generated Shallow, medium& deep hydrocarbon potential prospects
- Possible Shale gas exploration in Western outcrop of CMB and Salin Basin

U Naing Maw Than, Vice President, Myanmar Geologists Society, Singapore (MGSS)

14.10 Upstream Hydrocarbon Development: Environmental Assessment and Management

- Legal and Institutional Framework
- Baseline Environment and Assessment
- Mitigation and Management in Upstream Development
- Problems and Constraints in offshore EIA in Myanmar

U Zaw Naing Oo, Director, Resource & Environment Myanmar Co. Ltd

14.50 Networking Break

15.20 Investing in Myanmar: Opportunities and Challenges

- Investment policies and procedures: is Myanmar ready for FDI?
- Poor infrastructure and other structural challenges
- Avoiding the shortcomings of a limited financial system
- Economic trends of 'the New Myanmar'
- Legal matters and conflict resolution
- Finding suitable partners
- Human resources and other potential limitations

Kenneth Stevens, Managing Partner,
Leopard Capital Industry Updates

15.50 Poland Case Study

Dr. Andrzej Bolesta, Economic Counsellor,
Embassy of the Republic of Poland in Bangkok

16.30 Chairman's Closing Remarks & Close of Conference

The Asia Oil & Gas Awards 2013

The Asia Oil & Gas Awards will be Asia's leading annual awards ceremony for Oil & Gas.

The awards will be recognising achievements from local and international companies involved in Asia's oil & gas sector and will be rewarding those that have played a defining role in moving the industry forwards.

A strict judging code of conduct among the expert judging panel will ensure the awards are judged with impartiality.

The awards ceremony will take place on the evening of 18th of November. All 12 winners will be announced on this day.

Oil & Gas Operators Awards

1. Oil Company of the Year

Service Providers Awards

1. Drilling & Well Services Company of the Year
2. Oil & Gas Logistics Company of the Year
3. Engineering Company of the Year
4. Offshore Services of the Year
5. Fabrication & Construction Company of the Year
6. Innovation of the Year
7. Best New Technology of the Year
8. Manufacturer / Supplier of the Year
9. Consultancy and Service Firm of the Year
10. Law Firm of the Year
11. Recruitment Agent of the Year

The 12 Awards Winners will be announced on the 18th of November 2013 within the Asia Oil & Gas Awards Ceremony 2013.

The Judges

The prestigious judging panel for the Asia Oil & Gas Awards consists of the following 7 judges:

Antonio Cailao, CEO, The Philippines National Oil Corporation (the Philippines)

Neville Beston, Country Manager, Kulczyk Oil (Brunei)

Rakesh Vij, Head Subsurface & General Manager Reservoir, ONGC (India)

Woraphat Arthayukti, Chairman, Northern Gulf Oil (Thailand)

Dr. Charlie Wu, COO, Sugih Energy (Indonesia)

Muhammad Faruq-Uz-Zaman, Senior Assistant Secretary, Government of Bangladesh (Bangladesh)

Dr. Ridwan Rusli, Vice Chairman and CEO, Samudra Energy Ltd
